Dear Ms. Williams:

A heartfelt thank you from the School District of Janesville for supporting the first School District of Janesville Employees' Community Food Drive. This is an effort put together by the Janesville Education Association, AFSCME Local 938 (which includes secretaries, clerks, aides, custodians, maintenance workers, and food service employees), the Janesville School Board, Administration and all other employees. Your contribution of \$20.00 will benefit families this winter.
